

LD-909M
 Automatic Coil Internal-Winding Tapping Machine

Tape applicable width:	12~18mm
Cutting tape length range:	45~75mm
Maximum outer diameter of tape material:	150mm
Tapping average period:	Within 1.2 seconds
The maximum consumption power of the whole machine:	500W
Operating voltage:	220V 50HZ
Machine Net weight:	26kg
Machine dimension:	740*300*556mm
